2	Blasts at 7.30 p. m., Fire Department meeting.
1	Blast, water to be shut off in thirty minutes.

NOTICE

Brush fire, chimney fire, and all outside fire alarms are to be telephoned to the Alton operator, who will sound the proper alarm, and notify the proper authorities. This will be done by means of a control box now in the central office. State clearly the nature, extent and location of the fire. By complying with the above much time and property may be saved.

INSTRUCTIONS FOR OPERATING A BOX

Opening a box does not sound alarm: Pull down handle. Anyone sounding alarm to remain at box to direct firemen. Second alarm to be sounded by order of the chief engineer only. Test alarm every day at 12.45. Do not sound alarm unless necessary.

RAWLAND DORE. CHAS. T. BEAUDETTE,
WESTON ALDEN. Fire Wards of Alton.

WARRANT FOR ALTON MEETING

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Alton, in the County of Belknap, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Alton on Tuesday, the tenth day of March next, at nine o'clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the ensuing year, and to elect one Selectman for three years, one Library Trustee for three years, one Trustee of Trust Funds for three years, one Water Commissioner for three years, one Fire Ward for three years.

Article 2. To see what action the Town will take on the following petition: "To see if the Town desires to adopt the Town Manager plan as provided in Chapter 37 of the Revised Statutes Annotated, Laws of New Hampshire."

You are also notified to meet at the said Town Hall at seven-thirty o'clock in the afternoon on the same date to act upon the following subjects:

Article 3. To see what sum of money the Town will vote to raise and appropriate to pay all necessary charges of the Town for the ensuing year.

Article 4. To see what sum of money the Town will vote to raise and appropriate for the repairs of highways and bridges for the ensuing year, in addition to that required by law.

Article 5. To see what sum of money the Town will vote to raise and appropriate for the removal of snow from the highways.

Article 6. To see what sum of money the Town will vote to raise and appropriate to be expended on roads leading to shore property in conjunction with the amounts raised and expended by property owners.

Article 7. To see what sum of money the Town will vote to raise and appropriate for the purchase of tarvia and application of same.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$1,255.52 provided that the State will contribute the sum of \$8,370.15 for Class V Roads so called.

Article 9. To see if the Town will vote to authorize the Selectmen to borrow necessary monies in anticipation of taxes.

Article 10. To see what sum of money the Town will vote to raise and appropriate for the decoration of Soldiers' graves.

Article 11. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Public Library in addition to that required by law.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$431.53 to the Lakes Region Association of New Hampshire for the purpose of publicizing and promoting the natural advantages and resources of the Town.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$650.00 for spraying trees along the highways and for the control of "Dutch Elm disease."

Article 14. To see if the Town will vote to raise and appropriate the sum of \$2,350.00 for band concerts, summer and winter activities.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of Huggins Hospital at Wolfeboro, New Hampshire.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of Laconia Hospital at Laconia, New Hampshire.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$151.00 for the purpose of publicizing the natural resources of the Town in the "New Hampshire Profiles" magazine.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the rebuilding

of the bridge at Places Pond, so called, on Alton Mountain.

Article 19. To see if the Town will vote to raise and appropriate the sum of \$2,100.00 as a salary for the person on duty as operator of the fire and police phones.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$3,120.00 as a salary for the bookkeeper.

Article 21. To see if the Town will vote to make the office of Highway Agent appointive rather than elective, said appointment to be made by the Selectmen and go into effect in 1960.

Article 22. To see what action the Town will take on the following petition:

1. "To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the construction of a bath-house and toilets at the bathing beach at the Bay, as recommended by the New Hampshire State Board of Health." (Said amount to be taken from the Municipal Improvement Fund).
2. "To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for building a retaining wall and enlarging the parking area at the Town Beach." (Not recommended by the Budget Committee).
3. "To see if the Town will vote to elect or appoint a Parks and Playgrounds Committee, consisting of (5) members, for the purpose of planning and supervising same."

Article 23. To see what action the Town will take on the following petition: "We the undersigned, petition the Town of Alton, New Hampshire, to raise and appropriate the sum of — Two thousand dollars (\$2,000.00) for a World War II and Korean Conflict Memorial; and that a Committee of five (5) be appointed to supervise erection of same."

Article 24. "To see if the Town will vote to accept the extension of Barnes Ave. so called. This extension goes from Steven Rollins' property to the property

of Calvin Wyman, Russell Jones and Eugene Vernal. And also to have this street named Barnes Ave." (By request).

Article 25. To see what action the Town will take on the following petition: "To appropriate the minimum sum of \$3,500.00 either as a whole or with State aid, with which to apply a permanent road surface of tarvia or equivalent to a section of Town roadway as described below.

Beginning at Stockbridge Corner on State highway Route 28 in So. Alton, and extending in a westerly direction for a distance of two miles." (Not approved by Budget Committee).

Article 26. To see what action the Town will take on the following petition: "We, the undersigned REGISTERED VOTERS of Alton, New Hampshire request that we may have the road known as Spring Street at Alton Bay, resurfaced so as to eliminate a particularly bad dust nuisance. Resurfacing (or tarring) of Spring Street at Alton Bay should save all the Taxpayers a considerable sum, in scraping and plowing, during Summer and Winter."

Article 27. To see what action the Town will take in regard to appointing a Committee to investigate enlarging Riverside Cemetery or purchasing suitable land and report at the next Town Meeting with the necessary article in the warrant for same. (By request).

Article 28. To see if the Town will vote to raise and appropriate a sum not to exceed \$3,500.00 for the purpose of installing a roof on the Town reservoir at Bay Hill, all work to be let out under contract and to authorize the Selectmen, in order to provide such funds to borrow the amount voted and to issue serial notes or bonds in the name and on the credit of the Town.

Article 29. To see if the Town will vote to raise and appropriate a sum not to exceed \$9,750.00 to replace the water service from School Street to the Cemetery, all work to be let out under contract and to authorize the Selectmen, in order to provide such funds to borrow the amount voted and to issue serial notes or bonds in the name and on the credit of the Town.

Article 30. To see if the Town will vote to raise and appropriate a sum not to exceed \$5,250.00 to extend new 6" water main 1200 feet, from Willard Wallace's to Vance Varney's home, all work to be let out for bids and performed under contract, and to authorize the Selectmen in order to provide such funds, to borrow the amount voted and to issue serial notes or bonds in the name and on the credit of the Town.

Article 31. To see if the Town will vote to raise and appropriate a sum not to exceed \$1,500.00 for a new Test Well, all work to be let out for bid and performed under contract and to authorize the Selectmen to borrow the amount voted, and to issue serial notes or bonds in the name and on the credit of the Town.

Article 32. To see if the Town will vote to raise and appropriate the sum of \$24,000.00 for the purchase of a new loader, plows and back hoe, and to authorize the Selectmen to borrow the above sum of money against the credit of the Town, on long term notes. (Appropriation submitted without recommendation of Budget Committee).

Article 33. To see if the Town will vote to raise and appropriate the sum of \$4,200.00 for the purpose of purchasing a new truck and to authorize the Selectmen to borrow the above sum of money against the credit of the Town on long term notes.

Article 34. To see if the Town will vote to raise and appropriate a sum not to exceed \$5,500.00 as a yearly salary for a Town Manager.

Article 35. To hear the reports of agents, auditors, committees or officers heretofore chosen and to pass any vote relating thereto.

Article 36. To transact any other business that may legally come before the said meeting.

Given under our hands and seal this twenty-first day of February, 1959.

GEORGE H. WALLACE,
LEON T. DODGE,
HARRY M. ALLEN,

Selectmen of Alton, N. H.

A true copy of Warrant—Attest:

GEORGE H. WALLACE,
LEON T. DODGE,
HARRY M. ALLEN,

Selectmen of Alton, N. H.

Total	\$9,665.29

FIRE WARDEN'S REPORT

YOU CAN HELP PREVENT FOREST FIRES

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning—brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty. Use your town dump.

Number of local fires	1
Number of acres burned	1 1/5
Number of permits issued	124

ROBERT W. SMITH,
District Fire Chief
HAROLD E. PRIME,
Forest Fire Warden

Farmington National Bank	\$17,900.00	\$14,500.00
Net Debt	\$5,844.24	\$8,737.23

Note: The increase in net debt was caused by the cost of rebuilding the reservoir the total of which amounted to \$6,200.00. While there was an increase in accounts receivable, since the first of the year \$755.19 has been collected and deposited and the larger unpaid accounts are in the hands of the attorney for collection.

PUBLIC HEALTH WORK

To the Board of Selectmen, Alton, N. H.:

During 1958, there were three toxoid clinics conducted for the protection against whooping cough, diphtheria, and tetanus. Smallpox vaccinations were given also. Sixty-three children attended these clinics. Twenty-four of this number received their vaccinations.

I am hoping to hold toxoid clinics every other year in all of my towns. It is not practical or possible to hold these clinics every year, as most parents have their children immunized by the family doctor, which is as it should be. Periodic clinics are held so that families who have not had their children immunized, for various reasons, will have the opportunity to do so.

The third, and final, polio clinic conducted by the state health department was held last January. Two hundred-twenty-five children attended. This makes the total attendance three hundred and fifty-five. One hundred and fifty-four children received their third injection through these clinics.

If I can be of service to you or the other residents of Alton, I hope you will not hesitate in contacting me. I have office hours every day, Monday through Friday, 8:30 to 9:30 and Friday afternoons. Anyone may reach me by calling Laconia—1120.

Sincerely yours,

VIRGINIA COMSTOCK, R.N.

64 Court Street

Laconia, N. H.

January 27, 1959

STATEMENT OF BONDED DEBT

December 31, 1958

REPORT OF AUDITORS

As your duly elected auditors, we have carefully checked the accounts of the town treasurer, tax collector, precinct treasurer, trustees of trust funds, library trustees, water department and treasurer of the lighting precinct along with the bank statement of the several departments.

According to the best of our knowledge and belief they are properly vouched and correctly cast and are a true account of the business of the town for the year ending December 31, 1958.

COMMUNITY CENTER REPORT

Again many citizens of Alton made use of the Community House at the Bay. From April to Dec. 31, 1958, 52 meetings were held. Besides 7 private parties, these organizations used the center: Boy Scouts of America, Chamber of Commerce, Community Club, Garden Club, Homemakers, Water Ski Club, Woman's Club.

The Chamber of Commerce also again maintained the information service at the center which proved to be of great value to our summer guests, and in turn, of course to our community. The Community Club again made improvements to the building by adding fireproof curtains, silverware and cabinets.

This brings the total contribution since the opening of the center two years ago from the Community Club and friends to well over \$2000. Recognition also should be given to the contribution of a radio-record player, dishes and cooking utensils.

Fees for fund raising activities and fuel consumption amounted to \$40.

The house rules of the Center are:

1. The Center can be used by any organization, group or individual residing in the town of Alton.
2. The Community Center cannot be used for personal gains.
3. A fee of \$5.00 will be charged for the use of the Center when used for fund raising activities. The money so charged for used to improve the Center.
4. A fee of \$2.00 will be charged for use in the winter to compensate for fuel consumption.
5. Each organization or group using the building will be held responsible for the cleaning up of all rubbish and debris, both inside and outside of the building.
6. Building must be closed by 12 Midnight.

Rules and regulations governing the use of the building may be changed as required.

R. JARDINE,
D. DAVENPORT,
J. MUTZBAUER,

Building Committee.

SUPT. BOYNTON'S REPORT

Your Superintendent of Schools serves six towns; namely, Alton, Barnstead, New Durham, Pittsfield, Tuf-tonboro, and Wolfeboro. In these 6 towns of Supervisory School Union No. 49 there are 9 public schools and 1 private academy. There are 87 full-time, 7 parttime and 3 nurse-teachers employed for the 7 elementary and 3 secondary schools—a total faculty of 97 teachers serving 1837 pupils in 10 schools.

Previous Superintendents of Union 49 have written in annual reports of their real concern for employing competent teachers. They have sought to avoid too great a turnover of teachers because of the disorganizing effect it has on educational organization. This problem continues to be of paramount importance since the quality of our schools reflects very directly the quality of our instructional staff. Recent experience indicates that often the inexperienced replacement must be paid as much, and sometimes more, than the veteran teacher being replaced. Many question the fairness of such situation but it results primarily from "supply and demand" in a land of freedom of choice.

The Alton School Board at a regular school board meeting held November 14, 1958, adopted a salary schedule for Alton teachers. This salary schedule is understood to be a guide but does not exist as a precise legal document. The salary schedule provides a minimum of \$3800, and a maximum of \$5000. The first four increments are to be \$200, and the next four increments \$100. The School Board in planning their school budget for the 1959-1960 school year moved veteran teachers toward their correct "step" by a \$300. increment, excepting in certain cases where teachers were off "step" by more than a thousand dollars they would receive a \$400. increment. This \$400. advancement was not planned for non-degree teachers and in such case as a non-degree teacher being off step one thousand dollars, the increase would be no more than \$300. School funds are raised annually by the voters and the salary schedule only becomes official when the voters raise the necessary funds.

For approximately a year now a Citizens' Committee has been meeting from time to time to investigate and help the School Board plan for the long-range educational needs in Alton. Members of the Citizens' Committee are Mrs. Ella-Marie Carr, Mr. George Stevens, Mrs. Delree Appleyard, Mr. Harold Clough and Mr. Stanley Sanborn. These people have given generously of their time and talents, and their efforts have been sincerely appreciated.

At the same time, a New Durham Citizens' Committee has been meeting and several joint meetings have been held. It is extremely difficult to solve a specific problem in either community without involving the other community in the decision. An enrollment projection has been developed and studied. From this study made by School Board Members and Citizens it becomes apparent that additional facilities are needed. The Superintendent hopes that the voters will give serious consideration to this problem and that if the request for additional classrooms is found to be justified they will provide willingly and with dispatch meet this urgent need.

The Superintendent's report of last year included several direct and forthright comments. Some organizational revamping has taken place. Important policy statements have been implemented and there is much evidence that the educational structure has improved. A greatly improved relationship exists between faculty members, administrators and School Board Members. The areas of policy making and executive action are becoming more clearly defined. It seems apparent to the writer that schools cannot be "all things to all people". We must continue to focus our activities on the vital responsibilities that a school has in the education of youth. The school is only one agency of the Alton Community. It must cooperate with home and church but does it relieve them of their responsibilities?

A program of studies offered must square with the capabilities of youth and the nature of our technical and diversified adult world. Students likely to go to higher education must have the opportunity to acquire a high quality academic preparation and others must be given much, much more than an opportunity to socialize. Statistics show the long-term worth of college education, but

not all rewarding job opportunities require college. The non-college group must receive high quality instruction. The emphasis is different but this must not imply second rate performance. Besides continually trying to improve the quality of educational opportunity, school people in Alton are attempting to provide a greater challenge to the talented student and are expecting more hard work from all pupils.

The writer appreciates the full cooperation he has received from faculty members and school officials. He is especially grateful for the many kindnesses shown him and pledges his best efforts to serve the Alton Community effectively as Superintendent of Schools.

Respectfully submitted,

JASON E. BOYNTON,

Superintendent of Schools

LUNCH SUPERVISOR'S REPORT

The school lunch has become a very important part of education. It should not only satisfy hunger, but also teach nutrition and good health habits. Its menus follow a pattern which includes the necessary vitamins and protein in sufficient quantity to meet one-third of the day's nutritional requirement of school children.

Special treats and festive meals celebrating holidays are served throughout the year.

The Department of Agriculture periodically offers fine quality surplus commodities, which include butter, cheese, flour, fruit and vegetables.

The Alton School Lunch Program normally begins about October 1 and continues through May. The number pupils eating the school lunch increased during last year so that it became necessary to hire a second person to help cook. The increase also brought a demand for more space. The adjoining building, which was being used for storage, was converted into a dining hall.

The new dining hall separates the pupils from the kitchen and relieves the overcrowded condition. Extra cupboard space, counter space and storage space were also added.

The price of the meals was raised from twenty-five cents to thirty cents, to make the program self-supporting. The previous year, a reserve fund was used in running the regular program. However, an increase in price was the normal procedure in many communities this year.

School lunch program personnel attend yearly workshops during the month of August, at the state teachers' college. Quantity cooking, menu making, management and other phases of the school lunch program are studied at these schools.

Interested parents and friends are welcome to visit our lunchroom and ask questions.

Respectfully submitted,

ANN M. PEARSON,

Supervisor, Alton School Lunch Program

REPORT OF THE HIGH SCHOOL PRINCIPAL

The Alton High School Program of Studies for the year 1958-59 consists of Academic, Commercial, Industrial Arts, Home Economics and General courses. The number pursuing the above courses are .

Course	Seniors	Juniors	Sophomores	Freshmen
Academic	13	7	10	8
Commercial	5	4	2	2
Industrial Arts	2	6	6	3
Home Economics	4	0	2	4
General	2	1	1	0

Each student before graduation is required to take four years of English, two years of social studies, one year of science and two years of mathematics. All students are required to attain sixteen units to graduate and academic students are urged to attain eighteen units. All students are required to pursue a major field of three units and a minor field of two units. Art, music and physical education are offered on a non-credit basis.

Art is offered on a club basis. Mrs. Virginia Hardcastle is the teacher this year. Two groups receive the instruction once each week. Grades seven and eight have one class and the other is made up of grades nine through twelve.

Music instruction is divided into vocal and instrumental. Mr. Elton Young supervises grades one through six in vocal music, each class having one period a week. Mr. Young also teaches instrumental music to all grades whose students elect the subject. Mrs. Barbara Zulanf supervises vocal music on a club basis in the junior and senior high school. Each group meets once a week.

Mr. Derby and Mr. Plante give instruction in physical education. Mr. Derby instructs one high school group twice each week and Mr. Plante has one class for grades four and five each week. He also gives instruction twice weekly to two high school groups—one of boys and one

of girls. Only pupils who have a study period that coincides with the physical education period are allowed to take part in this class. About two-thirds of the high school students have the opportunity to enter the physical education class.

Interscholastic athletics are offered to boys and girls from grades seven through twelve. The junior high school group has a limited schedule with nearby schools. Alton High School is a member of both the New Hampshire Interscholastic Athletic Association and the Southeastern League. The NHIAA sets up standards for competitors, while the Southeastern League offers opponents and local league benefits.

A very fine testing program has been set up which operates as follows:

- (a) Achievement Tests to all students, grades one through twelve
- (b) I. Q. Tests to grades 1, 3, 5 and 7
- (c) Guidance Tests for grades 8 and 11, administered by the University of N. H.
- (d) College Aptitude Tests for potential college students.

Such an extensive program enables teachers and administrators to discover and correct weaknesses that may appear.

A survey of the class graduated in 1958 shows: Five are attending a four-year college, one attends an engineering technical school, two are enrolled in a cosmetology school, one is attending a business school, one attends an IBM school and three are working. However, of these three who are working, two have been accepted by a four-year college and plan to attend next year.

Signed:

MATTHEW J. FLAHERTY,

Principal

ELEMENTARY PRINCIPAL'S REPORT

There are two new teachers at the Memorial School. Mrs. Roxey Stockwell has the first grade and Mrs. Isabella Shipman, the third and fourth grades. Mrs. Eugenia Hutchins continues teaching the second and third grades.

Reading is the basis of all learning. Therefore, it is the subject most stressed. A reading readiness program is presented to the first grade. From this program, the children gain an understanding of visual discrimination, interpretation of pictures, sequence of ideas and left and right progression. It is hoped that, at the end of the year, they will have completed three pre-primers, one primer and the first reader. The reading program is carried out in all grades with two basic books, accompanied by workbooks. Children are grouped in the classroom by their reading abilities.

We do not consider our arithmetic formal in the first grade. However, the children learn to recognize numbers, count to one hundred and add and subtract combinations to ten. To master the essential number of facts and be able to use them in problems, is the aim of other elementary grades.

Some spelling is taught in the first grade, but assigned spelling lists and the ability to use them correctly in written work starts in grade two.

Language, in the first three grades, is primarily oral discussions. Correct usage of words and other written language is taught in the fourth and fifth grades.

Social studies is the study of people and communities. The first grade learns about the home, pets and toys; the second grade, community workers. The third grade is a continuation of community helpers, with more stress on farming, building and traveling. The fourth grade studies New Hampshire and the fifth grade, the United States.

Science, art, penmanship and music are taught in all grades. In addition, Mr. Plante instructs the fourth and fifth grades in physical education.

We feel that in the elementary grades reading, writing and arithmetic are the primary objectives, with social adjustment still very important.

ELIZABETH PARKER,

Principal, Memorial School

REPORT OF SCHOOL HEALTH WORK

To the Townspeople, School Board and Superintendent of Schools of Alton.

The following is my eighth annual report of the school health work of Alton.

In the spring of 1958, we had some cases of measles and mumps in school. However, colds and the flu did cause the majority of absence.

As of the autumn of 1958, the school attendance has been very good. A couple of weeks before Christmas, the attendance record dropped due to colds and the flu that usually accompany the onset of cold weather and confinement to indoor living.

The dental health situation among the school children is giving me some concern, as tooth decay is quite prevalent.

A tuberculosis skin-testing clinic is planned for early spring, through the cooperation with the New Hampshire Tuberculosis Association.

Parents of both pre-school and school children, please make an effort to have your children immunized against polio, whooping cough, diphtheria and tetanus or lockjaw.

One problem which exists in all towns is the care and training of our physically and mentally handicapped children. Various school districts in the state have felt the need and importance of doing something for these children. At present, we have at Alton, Barnstead, New Durham and Pittsfield, a group of six or more boys, in the age group from ten to fifteen years, who need special training. To set up a special class for these children with instruction in manual training, as well as teaching of the three R's, seems to be the solution of a community problem of this kind. These children have a right to an education and the parents of these children feel they should have it.

Geographically, Alton or Barnstead seems to be the central place as far as transportation is concerned. My suggestion is to consider the Center Barnstead school building as a training center for our physically and mentally handicapped. I hope the superintendent, school board members and people of these towns will consider a special class for our less fortunate children. It is an endeavor that is worth trying and it is needed now. Consideration by the towns mentioned might make it a financial reality.

A resume of the routine school nursing work will be found in the following statistical report.

In closing, I wish to express my appreciation to parents and teachers and all others who have assisted with the school health program.

Respectfully submitted,

ANNIE ROSENQUIST STOCK, R. N.,

School Nurse-Teacher

WARRANT

for SCHOOL DISTRICT MEETING

To the inhabitants of the School District in the town of
Alton, New Hampshire, qualified to vote in district
affairs:

You are hereby notified to meet at the Memorial School
Auditorium in said district on the 14th day of March
1959 at two o'clock in the afternoon to act upon the
following subjects:

THE STATE OF NEW HAMPSHIRE

1. To choose a moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the school board for
the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To determine and appoint the salaries of the
school board and truant officer, and fix the compensa-
tion of any other officers or agent of the district.
6. To hear the reports of agents, auditors, com-
mittees, or officers chosen, and pass any vote relating
thereto.
7. To choose agents, auditors and committees in
relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise
and appropriate for the support of schools, for the
salaries of school district officials and agents, and for
the payment of statutory obligations of the district, and
to authorize the application against said appropriation
of such sums as are estimated to be received from the
state foundation aid fund together with other income; the
school board to certify to the selectmen the balance
between the estimated revenue and the appropriations,
which balance is to be raised by taxes by the town.
9. To see if the School District will raise and ap-
propriate a sum not to exceed \$45,000. for the construc-

tion and equipping of two elementary school rooms and authorize the School Board to issue serial notes for this purpose for an amount not to exceed \$45,000, in the name of and on the credit of the district, said notes to be issued pursuant to the Municipal Finance Act or any other enabling authority; and to authorize the School Board to determine the time and place of payment of the principal and interest, the rate of interest, and all other matters in connection with the financing of this project.

10. If Article 9 is adopted, to see what sum of money the District will raise and appropriate for the payment of interest on notes for the two new classrooms, payable during the school year 1959-1966.

11. To see if the District will authorize the School Board to make a contract with the New Durham School District to accept such pupils from New Durham as may not be enrolled at the New Durham Plains School, and to authorize the School Board to determine the length of the contract period and the tuition rates, except that the interval covered by any one contract must not exceed five years, and the tuition rate for any specific year must not exceed by more than five per cent the state average per-pupil costs as estimated by the State Department of Education for tuition purposes.

12. To transact any other business that may legally come before said meeting.

Given under our hands at said Alton this 13th day of February 1959.

FREDERICK M. PERKINS,

GLADYS E. HOWE,

JUDSON H. DOWNING,

School Board.

A true copy of Warrant—Attest:

May	2	Schools Open
May	30	Memorial Day—Schools Closed
June	17	Summer Vacation—Schools Close 3:00 p. m.
(x)		Date not definitely set at this writing.

This calendar is subject to changes authorized by your School Board, State of New Hampshire education authorities, or when school is called off because of dangerous storms and emergencies. The minimum legal requirement is 180 days. Teachers' attendance at the State Teachers' Convention, Institutes and approved workshops will count as school days. If more than one day is lost, times will be made up on Saturdays preceding vacations or by continuing beyond June 17.
